## HIVR4P // Virtual: Branding Opportunity

### BRANDING OPPORTUNITY

Partner organizations have the opportunity to place original branded content related to HIV research and prevention on the HIVR4P // Virtual platform homepage. For a fee of US\$ 15,000, benefits include:

→ Placement of original, sponsor-designed artwork on the HIVR4P // Virtual conference landing page, available from the time of execution of sponsorship agreement until the conclusion of the conference.

→ Click through to website or other sponsor-produced content for display in a pop-up window.

→ This opportunity will be limited to a maximum of five sponsors whose images will rotate every 5 seconds.
